

Meals Ministry at BPC

Ask for Meals!

The **Meals Ministry** team wants **YOU** to know it's **OKAY** to ask for meals - in fact- we **WANT** you to! Whether you could use a couple of dinners or a couple months of meals, we want to help!

We are a team of 63 (and growing) BPC members who are willing and ready to cook (or pick-up "homemade" carryout) and deliver to your door.

We know it can be hard to ask for help, but helping our neighbors when they need support is what we're called to do,

If in doubt...give us a shout!
